Title:

Oracles of The Soothsayers.

In ancient periods, Human beings compared their own complexities of life with the vast universe and become terrified. They desired to communicate with superior authority that control universe. In ancient Greece, to know the wishes of Gods, Soothsayers gave oracles by decoding the wishes. They interpreted various natural phenomena, dreams and examined sacrificed animals to give oracles. At various occasions, Gods spoke directly to soothsayers, who experience murmur state, delivered message to adherents. They lived in specific shelters and connected with one or more Gods. Most significant

Was Apollo, who delivered the message of Zeus and assisted other soothsayers. He delivered the decisions related to mortals, proclaimed by Zeus.
