

Is the World blind towards the plight of Palestinians:-

I- Introduction

II- Genocide of Palestinians - an overview

III- Blindness of world towards the
suffering of Palestinians:

A- Lack of efforts to prevent forced
displacement of Palestinians

B. inability to restrict food starvation

C lack of efforts for permanent ceasefire

D No actions to end the genocide

E continued relations with Israel

F Non willingness to sanction Israel

G Negligible efforts for separate Palestinian
State

IV It is argued that world acknowledges
the hardship of Palestinians:

A Resolutions passed in UN

B Criminal charges by ICJ on Netanyahu

C Recognition of Palestine as state by
multiple countries

V World is blind towards the plight
of Palestinians:

A Ineffectiveness of resolutions

B continued relations with Israel despite criminal charges

C Failure to stop genocide despite
recognition

v-

Conclusion -
