

Precis and Translation from past papers

Please evaluate them

I also need a sincere suggestion:

I am very much weak in reading this type of complex English language which is used in English Precis and Comprehension (specifically the language which is used in 2017's precis and composition and 2019's comprehension).

i am good in reading and writing of journalistic type of language because of practice..

i also want to improve my reading practice for this type of Written language

Tell me any book or any platform so that i add them into my daily reading practice...

i know it will be increased by practice but i am unable to find any Suitable book in which this type of language is being used....

please suggest me

A Documentary : Giving Hope to Palestinians

Nazir Hassan ~~was~~ is a prominent Palestinian film-maker. He produced a documentary ~~in 1991~~, ~~in~~ which he criticized ~~upon~~ Israel that they have stolen other's ~~homeland~~ and considered ~~this~~ act as an "Independence". When Israel planned to annex more Palestinian land, the writer received an email from Nazir, in which he told him ~~that~~ about his film. In this, Nazir ~~shown to~~ ~~ed~~ Palestinians that if you become ~~too~~ ~~exasperated~~ about the politics being played in Palestine, you would distract from your ~~real~~ aspirations and destiny. He suggested not to fall in this trap, as his experience saved him from this trap as well. This new documentary ~~has~~ changed the perspective of Palestinians from being helpless over Israel's capturing of their ~~sights~~. This limited version of holy ~~work~~ ~~what?~~ is being published on Aljazeera Arabic but instead of in parts it must be in one go.

Translation 2017 past paper

To ~~know~~ ^{Know} the hidden defects, it is mandatory that ~~to know~~ what our enemies tell about us. Our friends often admire us in accordance to our will. Either they do not consider our defects as a defect or they show such a respect for ourselves that they hide them or bow before them. ~~Contastly~~ ^{Contastly} our enemy ~~continizes~~ ^{continizes} us from every aspect and highlights our mistakes. Hence, he makes a little thing bigger as of animosity, but somehow those are factual. A friend always promotes friend's virtues and ~~enemy~~ ^{enemy promotes defects} defects. That's why, we should be thankful to our enemy he informs us about our mistakes. In this context, enemy is proven to be well in front of friend.
