5 LINES  
SINGLE SENTENCE???

whereas the ordinary man sees things and often does work without spiritual desire. He always demands beauty for the sake of beauty not with the relation to universe, even without recognizing the aesthetic activity of the spirit.

How can we make our lives beautiful and charming?

We can make our lives beautiful and charming by creating the habit of finding the relation SENTENCE IS TOO LONG between activities and the universe in order to get spirituality and satisfaction of desires, as an artist does. Only the internal satisfaction in every activity can make our lives beautiful and charming.

What does the writer actually mean when he says, "Beauty is not an ornament to life"?

When the writer says, "Beauty is not an ornament to life". He described that when an ordinary man made or buy anything he demands beauty for the sake of beauty. The writer says beauty is not an ornament to life but the real beauty lies in to find the relation of that

beauty with the Universe. As action without moral activity are ~~distasteful~~, same the ~~the~~ objects without aesthetic activity are ~~distasteful~~. ?

DO art and beauty affect our practical life and morals? Justify whether you agree or not

~~Agreed~~ Art and beauty have many effects in our practical life and morals, as the great things of history have also been done by the heroes, by the saints, and by the artists. It helps to acquire satisfaction of spiritual desire and to acquire beauty of universe and its relation with our activities. By doing so, internal satisfaction affects our spiritual practical life positively and helps to build moral values.

## Weather and its Impacts on Human

According to the author, the countries of northern Europe have much benefits of cold weather, because it stimulate energy by bearing challenges. while facing these inevitable challenges, human gets demotivated, whereas in the absence of challenges human becomes lazy, but efforts against challenges strengthens own power. In cold weather, he arranges thick clothes and fuel for fires, he has to bear hardship of weather and gets accustomed good food. In moderate weather areas human do not need thick clothes or fire and can sustain lives without these hardships. we <sup>must</sup> accept this difference in our lives, in hot weather we become lazy, but in cold weather we bear more hardships of both mental and physical.
