

Though the memes and reels are very short but their impact lasts longer and distracts the focus of an aspirant. The ~~memes and~~ reels and doom scrolling act like ^{an} addictive agent and controls the mind of an aspirant. As a result, the aspirant moves ahead towards his failure. The same way, the excessive use of AI reduces the analytical and cognitive abilities of an aspirant which are required to pass competitive examination. At the end, the aspirant meets failure which is the result of his deeds.

Unsuitable Environmental plays a pivotal role in the journey of an aspirant. An unsupportive home environment is one such factor. If the home environment ^{of an aspirant} is not conducive towards his studies and not let him study in a peaceful environment then this will lead him towards failure. The second factor is company and friend's circle. If the friend's circle and company ^{of} an aspirant criticises and mocks him, it will demotivates the aspirant and adds to his failure. It is rightly said, "Associate yourself with the ^{people of good} ~~quality~~ of quality, for it is better to be alone than in bad company. The third factor is harsh weather during which examination is taken. Harsh weather makes the survival of a person a little bit more difficult and drains his energy. The same happens with an aspirant. All these reasons ~~contributes~~ towards the failure of an aspirant.

Either you conquer the digital world or the digital world controls you depend on the way of its usage. Digital distractions ~~are~~ can also ~~contributes~~ a lot towards the failure of an aspirant. Excessive use of social media without any meaningful purpose acts like a poison for an aspirant, and he ultimately meets failure.
