Q No. 7: <sup>Such is paired with that, not which.</sup> Translate the following into English by keeping in ~~view~~ <sup>idiomatic/figurative</sup> expression?

Every era ~~also~~ <sup>such</sup> brings much matters with itself ~~which~~ <sup>that</sup> no one likes, but they ~~shall~~ <sup>have to</sup> be accepted. Sometime, it also happens that perhaps, nature does it ~~in order~~ <sup>in order</sup> to test us. Neither it is for our purpose ~~not~~ <sup>nor</sup> we have any relation with it, but then it shall be made part of life. Today, it is also going. Every century is going to bring such changes which are quite fresh to previous centuries.

~~Development of art and science~~  
~~Art and science development~~ gives much more to human which can

~~be declared~~ waste by knowledge and economics act. Nature gives us fruit, but at the same time ~~punctuates~~ <sup>that</sup> kept the peels in proper way otherwise it will result in degradation of an environment.
