on

When they found a new friend then starting
 conversation day and night. They lost their precious
 despite, he didn't know what is he doing because
 He got too addict on online platform with
 new friend. People share their personal secrets
 and personal thing with them. They don't know
 them but connected with them on social
 media. Campaigns going on against pressing
 issues by social media. Children who is not
 adult but using it, they don't know about its
 their advantages **avoid writing in confused expression
please** advantages of online platform.
 Every child spends their free time, and busy
 schedule but spends on that platform. They
 deprived of their education and fundamental rights.
 They addicted of it and stucked on that
 platform. When they come out from this platform.
 They feel weakness, disease and other little
 complaints. They depressed within their life.
 When poor people see a post of
 rich people **try to shorten your sentences please** they want to get that
 thing. May be expensive, but they don't
 care of it but they trying to get it
 and spend day and night to get it.
 They didn't have plan of using it
 wisely. They give their precious time
 on social media. People of world use
 it foolishly without proper time
 management. **try not to write in pronoun please**
 In a nutshell, we should use it wisely
 and proper time managey. They should
 understand the real world not a
 online platform. Where they waste their
