World is dictated by Unipolar power of United States of America which has been dictate the world for more than seventy years. To beat this unipolarity

BRICS- Brazil, Russia, India,

China, South Africa and

many more - 10 nation cooperated for economic growth. About

40% of world's production emerges from this p bloc.

A source (purchasing power parity) index claimed that

40% of oil can be produced by BRICS. America always try to capture all big sources in the world. For example, in

Venezuela, America imposed sanctions and freezes their assets which results in

their economy is collapsed, currency devalued by 99%

and hyperinflation rises. The major aim for doing all this to America is oil, Ideology
