

Discuss in detail the role of OIC, Arab League and GCC in the Middle East crisis & conflicts.

Introduction:

The Middle East has long been a region marked by political instability, armed conflicts, sectarian tensions, and external interventions. Regional organizations such as the Organisation of Islamic Cooperation (OIC), Arab League, and Gulf Cooperation Council (GCC) have attempted to play varying roles in managing these crises. While each organization has a specific mandate and operational scope, their effectiveness has often been constrained by political divisions among member states, limited enforcement mechanisms and external pressures.
