

Title:

effects of Misguided Energy vs. True Rest

The author ~~criticize~~ the restless activities of people which they ~~are~~ ~~do~~ senselessly. Devil is the busiest creature even in his kingdom, nobody is allowed to do anything. The author believed ~~that~~ world is in muscle but it is not because of the lack of ~~it~~ ~~it~~ is the result of lack of consistent kindness ~~and~~ thinking. In world still present a lot of energy But ~~used~~ in a wrong way. If a leader chosen idleness over restlessness actions the world might have been in a better condition. True Success of the world require kindness & occasional rest rather than endless busyness.

very poor and casual way of writing  
not satisfactory

no coherence no sense of content

basic grammar is weak and  
write in your own expression
