

Q1: Explain Human dignity. How Islam recognizes ~~to reform~~ ~~the society~~ it and what efforts have been adopted to maintain the superiority of man.

a) Introduction:

Human beings are Caliph on earth. All human beings are superior on the other things because of wisdom. Allah gives them the ability to understand and spend life without any force. Allah give them, rights to live, justice between each other, and freedom.

"There is no superiority of Arabs on non-Arabs, and non-arabs to Arab, white on black, and black on white"

All beings are equal in the eyes

of God.

b) Islam recognizes dignity to man kind.

Islam is only religion on earth to recognize multiple dignity to mankind on earth. Some of them are given below.

i) Rights to live :-

Islam recognize this right to every one. There is no superiority of one man on other in this earth. All are equal to live and spend their life in different ways.

"Do not killed with each other on earth."

الْأَنْفُسِ

ii) Equality between mankind :-

The only religion on earth is Islam, who see every one equally

All human beings are equal.
No superiority of one on another.

"I created human being
from single pair"

"القرآن"

All says in Quran, All human
beings are created from single
pair (AWA and Adam).

iii) justice between each other.

"O who believed, justice on
earth." "القرآن"

Allah like justice and give
instruction of justice on
earth. Because all human beings
are equal on earth.

iv) Respects and honours:

In Quran human beings are
respectful living on earth in
the eyes of Allah

"القرآن"

"I am going to create caliphah on earth"

Therefore, human beings are caliphah on earth.

v) Rights of man and women:-

The only religion on the earth surface Islam who provided equal rights to every individual. Islam provided equal rights for men and women on earth.

"All human kind are equal on earth" "القرآن"

vi) Sanctity of life:-

Islam provided rights to every one to ^{spend} life on earth what you want, but according to the circle of Islam.

"Those whose killed one muslims, killed all humanity"
(القرآن)

Islam is opposite of killing,
Islam teach to live on earth
and explore the universe.

vii) Brotherhood with each other.
Islam teach us brotherhood among
people on earth

"one muslim is the brother of
another muslim" (الكرمين)

Efforts adopted to maintain The Superiority of man.

Human beings are Caliph on
earth from the beginning. Therefore,
it is important to maintain the
superiority on earth. Some efforts
must adopted to contain the
superiority which are.

i) Unity:

Islam teach the concept of "unity to every muslims on earth.

"Stand back to back on one another"

ii) Justice on earth:-

Justice in between one another on earth is important. Allah like justice because he is justiceful so, justice with each other.

iii) Accountability:

Accountability is a major component in Islam.

"تف لولہ میں کسی زیادتی نہ ہو۔"

Islam against them who doing inequality.

iv) Promotion of education:

Islam like to learn and understand to know what's going on the earth. who created it.

"Education is obligatory for every one"

v) Ethical and moral.

Islam like ethnicity and morality.
Because of, this life on earth
is temporary.

"Everyone soul the taste of death"

vi) welfare state systems:

Islam is a welfare state, and
all teach the concept of
welfare.

"I spend on earth, I will give more"

‘انفاق’

vii) Decision under Quran and
hadith.

All decision are present in
Quran and hadith. So decision
of every problem on Quran
and hadith.

viii) Rule of Law:

All decision are under Quran
and hadith. And rule of
law will be equally for
every individual on the
earth.
