

Assignment 1:- "Why I Wear Neat and Clean Clothes"

Clean and neat clothes develop my personality, I preferred neat and clean clothes due to some changes in my personality. I believe, neat and clean clothes are affecting on your daily life, like if you wear neat, clean clothes mostly you are trying to avoid some places, where environment is not good, for your health for your body etc...

Thus, I live in the capital city and I try to always try to wear neat clothes, because sometime I go with my friends sometime I go for tea, or anywhere.

In addition, I live ~~in~~ under strict timetable ~~a~~ routine, where mostly I spend my time in study, but sometime I avoid these thing, like I did not wear neat and clean clothes, when I am under the pressure, I just wear simple clothes, simple dresses, or hostel life clothes, like trouser, shorts, and sleeping dress.

Moving forward, mostly 70% I wear neat and clean clothes and 30% I wear simple clothes, but they are also neat and clean.
