Title:

Manto: Exploring dark realities of human behaviour.

People see Manto as a hypocrite, due to his vulgar writing and drawn him into legal battle. But, it made no difference for him to ~~at~~ unpack dark realities of life. He follow similar pathway to Freud to discover secrets of sex in physical manner. The issue that concerned Manto was mix faces of people in different level of societies. According to him man is a mix of angel and devil. Similarly, he works for people of his own time like Joyce, Lawrence, and Caldwell.
