

Topic: The Only Source of knowledge is experience.

1. Knowledge: The greatest blessing
2. Undeniably the only source of knowledge is experience.
3. Thesis statement

DATE: _____

DAY: _____

B- Undeniably the Only True Source of knowledge is experience

① Experience transform theory into reality;

① The Wright brothers succeeded in aviation through trial and error.

② A doctor learns far more during practice

② Mistakes becomes the greatest teachers;

① Thomas Edison thousands of failed attempts before inventing light bulb.

② Steve Jobs learned from failures at Apple.

③ Skills cannot be mastered without practice;

① Picasso became a master artist through years.

② Driving a vehicle require hands on training

④ Experience builds intuition and judgements;

① Napoleon's battlefield intuition came from countless wars.

② A seasoned teacher can quickly identify students weaknesses.

⑤ Learning through struggle is permanent;

① Nelson Mandela's struggle in prison shaped his wisdom

② Businessmen financial caution after fraud and deception.

⑥ Experiences teaches what books cannot foresee;

① Vasco da Gama discovered the sea route to India not by theories.

② Dr's learned real solutions from treating Patients during Covid-19.

⑦ Innovations is rooted in Experience

① A- Graham Bell invented the telephone through hand-on-experience

② Elon Musk's space X achieved reusable rockets after numerous test failures.

⑧ Experience make knowledge relevant to context;

① Karl Marx theories were interpreted differently in Russia and China.

② Teachers modify lesson delivery depending on student's response, despite standard curricula.

⑨ Wisdom emerges only through lived reality;

① Socrates emphasized practical dialogues.

② Parents understand the value of patience only after raising children, not before.

⑩ Experience strengthen Problem solving;

① Abraham Lincoln leadership during civil war.

② Farmers facing pest attacks develops new ways for crop protection.

C- The Only source of knowledge is not Experiences

① Books preserves knowledge beyond a life-time;

① Scientists today don't need to re-discover gravity, Newton law recorded the knowledge.

② Students learn maths without experiencing the errors done by past scholars.

② Knowledge can be acquired indirectly through observation;

① Charles Darwin learned much by observing species.

② A child can learn more by listening to storie about fire instead of burning hands.

③ Revealed and Philosophical knowledge transcends experience

① No human experience could produce the knowledge which conveyed M.(SAW).

② Immanuel Kant deduced theories of morality and knowledge without needing experience experimental proof.

Topic: Pakistan needs a shift in societal traditions for true governance reform

DAY: _____

DATE: _____

A. Introduction

B. Understanding societal traditions of Pakistan

C. Challenges posed by societal traditions to true governance reforms.
