personal detail

Nizar Hussain, a film producer, born in 1969, and grew up in village of Mushhad.

He pursued higher education in anthropology at Haifa university. In, 1994 he mocked

the idea of Israel's independence, as he saw see this as an act of stealing Palestinian land, in his short movie called as

Independence. Additionally, in his film, My Grandfather's Path, he interpret about a trap, related to psychology. He says choose your enemies wisely, as there is a greater chance for you to be like them.

According to him if someone wants to preserve himself from trap, he needs to work on things he admires. One of his latest film, one such work, which is about Israel's illegal pressure and world negligence on Palestine matter. Ultimately, Nizar Hussain wrote about Palestine.
