

Precis (1989)Vital Role of Freedom

The writer mentioned that Greek civilization was very weak than ours'. But they had the power of freedom which help them to protect Greece. Greece remained protected against Asian great powers. Writer said Greeks were the only free people of world, at that time. Due to this reason, they defeated vast number of Persians at Marathon and at Salamis. The reason of their zenith was neither the vastness of Greek nor money, but only their spiritual freedom.

Poverty has Potential to Higher Civilization

The writer said that there are many people who lament about poverty and they believe that only money could bring happiness. He mentioned that in actual, the real satisfaction and comforts ~~lies~~ ~~is~~ found in poor houses than rich ones. Writer mentioned that in richness there is only more formality, social envies and jealousies. Historians have proven that all great men were born poor. Writer warned that most people wish that poverty abolish and there is only luxury all over the world. But this will lead to poor civilization rather than higher civilization.
