Title:

Modality: A Essential Feature of Intelligence

The safety of mankind lies in learning modality as basic part of intelligence. it can be used as tool to provide modal services and increase the survival of human. However creating modality-based intelligence has been challenge for educationists and considered it as realm of religious institutions. History reveals religious institutions failed and serves the interests of powerful men, who considered modality and power as interchanging, which increased nuclear destructions. Therefore, educational institution must have potential to make modality as essential part of intelligence and train human the basic characteristics of intelligence for survival.

Comprehension 2016

Question: 1

Why most of us fail in our efforts.....?

Ans:

Most of us fail in our efforts for self-improvement due to highly ambitious goals. People often set unrealistic and sometime very ambitious goals but failed to act on due to physical, social constraints and misjudging their abilities, and failed in self-improvement.

Q.1

Why is it basic mistake to announce our resolution.....?

Ans:

It is a basic mistake to announce our resolutions to everybody because

people then set certain expectations and judges your performance in that regard. They become observers of your goals. if you fail at certain point, they often taunt and jibe you which is self-embarrassment for individuals.

Question:3

Why did Writter not carry out his resolution.....

Ans:

Writter did not carry out his resolution, that was set on New Year's Day as it proved to be exhausted for him. Gradually, all the enthusiasm diminished with reduction in time spent on resolution. As result, he returned to the starting point in ten days.
