

TRANSLATION - 2024 Passage

When the self-created issue of Palestine came before United Nations for resolution, this international institution recognized the right of self-determination of Palestinians and ~~presented~~ ^{proposed} the resolution for the ~~issue~~ the formula for resolving the issue. The two-state solution was proposed, but UN resolutions passed for it have not been implemented in past seven decades. On the contrary, at the behest of United States, Israeli army is playing Holi with the blood of innocent and unarmed Palestinians to this day and the Gaza Strip has been completely destroyed in the ongoing war of past two and a half months. In this war, Israeli forces along with American assistance have mercilessly martyred more than 20,000 Palestinians, including women and children, and have left no space for survivors, who are now also losing their lives due to shortages of food and medicine.
