Title: Oracles Directed Lives

Humans, when determined their fears and weakness, try to communicate with some super power which is regulating the universe. In ancient Greek communication with God ^{was} greatly done by oracles and soothsayers. Soothsayers had gifted in understanding signs of God through different activities and also they can directly communicate with God through practicing ecstasy. Apollo was the typical God in Greek, who delivered messages to mortals by Zeus and there were also an oldest God, Dodona, who functioned with Zeus.
