The year 2025 is a turning point for Pakistan's prosperity. In this year Pakistan has undergone several improvements in various fields such as economy, politics, judiciary, defence, and diplomacy. The World Bank has indicated significant rise in Gross Domestic Product (GDP) of the country. Similarly, passing of the 27th amendment in the constitution 1973 of the Islamic Republic of Pakistan shows greater political unity among most of the political representatives (parties). Through 27th amendment, Parliament has institutionalised the judicial bench of ^{the} Supreme court into Federal Constitutional Court (FCC). In the year 2025, the Defence of Pakistan ~~is~~ is ~~proven~~ tested and proven to be extraordinary, as in the case of Operation Banyan-ul-Mansur in the retaliation of Indian's Operation Sindoor. This achievement in defence has remarkable significance in Pak-Saudi Strategic Mutual Defence Agreement. Although there are some ~~challenges~~ ~~to~~ ~~Pakistan~~ ~~this~~ ~~year~~ ~~such~~ as rise in insurgency and militancy specially in KP and Balochistan, ~~with~~ ~~high~~ high political polarisation, ~~and~~ vulnerable climate changes and its effects, and limited freedom of speech and expression. However, In short, despite ^{few} setbacks, this year is a turning point for Pakistan's prosperity, as a whole.
