## Opportunities and Challenges for Pakistan.

### 1 INTRODUCTION 2

### 2 Opportunities For Pakistan :-

2.1 Strategic leverage through balancing major powers in a multipolar world.

2.2 Economic revival through geo-economic repositioning rather than geo-politics.

2.3 Expanded diplomatic space due to weakening bloc

politics.

2.4 Defence and security diversification  
beyond traditional partners

2.5 Increased role of middle  
powers creating space for  
countries like Pakistan

2.6 Diversified investment inflows  
from non-Western  
economic powers

2.7 Integration into shifting  
global supply chains  
amid economic fragmentation.

3 Challenges for Pakistan :-

3.1 Intensified great power rivalry creating strategic pressure on Pakistan

3.2 Economic vulnerability in an era of global fragmentation and protectionism.

3.3 Energy insecurity amid geo political competition over resources

3.4 Risk of diplomatic overstretch due to limited state capacity.

3.5 Weak domestic institutions limiting benefits from global shifts.

3.6 Increased regional instability  
spilling over into domestic  
security.
