

## Corruption of Pakistan:-

Corruption became a major issue of Pakistan. ~~This is happening~~ <sup>no accountability on</sup> political leaders, ~~not strong law enforcement~~ on corruption. Mostly, it is taken through bribe in every department of Pakistan. ~~No transparency in~~ budget and public spendings. ~~More over,~~ <sup>even,</sup> bureaucracy of Pakistan is also involve ~~in~~ taking bribe ~~in~~ projects. Pakistan should ~~be~~ tackle this issue, through making strong law enforcement, ~~sustainable~~ accountability of politicians and also ~~be~~ bureaucrats. Therefore, Pakistan's judiciary should be transparent and ~~also~~ they should ~~be~~ taken strong stance against corruption. ~~Furthermore,~~ Investigation departments like Federal Investigation Agency (FIA) and National Accountability Board (NAB) should work without fear of politician. This is the way we can ~~take~~ the corruptions.
