

-Title-

"Freedom in education; limitation and needs"

Regarding freedom in education, three prominent theories of supporting freedom, ~~halting~~ and freedom with ensured morals are present. Latter hold absurd believe regarding education of being <sup>only</sup> providing <sup>an</sup> environment for growth which marginalized its significance. Society, where cooperation is important, can't solely be achieved via liberty, but need support of ~~education~~ - controlled set of guidance and discipline. Education shall provide intellectual and moral growth which can't be achieved solely.

-Title-

"Freedom in education; limitation and needs"  
title is quite relevant

Regarding freedom in education, three prominent theories of supporting freedom, ~~with ensured morals~~ **there are three theories which** are

present. ~~Latter~~ hold absurd believe regarding education of being <sup>only</sup> providing <sup>an</sup> environment for growth which ~~is~~ ~~organized~~

its significance. ~~Society, where~~ ~~Co-operation~~ is important, ~~can't solely~~ be achieved via liberty, but need support

of ~~education~~. ~~Controlled~~ set of **guidance** and discipline. Education shall provide

intellectual and moral growth ~~which can't be~~ ~~achieved solely~~  
**plz avoid writing in passive**
