## Ways to Communicate with the Gods.

Humans often communicate with the gods, whenever they faced mysteries and vastness of nature of life, as they believed it serves as a guide for them. In ancient Greek times, soothsayers wishes to god through oracles. Soothsayers had different ways to know the wishes of the gods, for instance ralls of thunders, direction of flames, dreams and palmistry. However, in some instances, the gods were believed to send intermediate to convey his message, rather than showing natural signs. Nevertheless, Greeks were deeply rooted with these methods by associating different gods with their respective Oracle. Lastly, Delphi delivered messages from Apollo and the oldest one Dodona was linked with Zeus.
