

Love for People wins Love of God

Author claims that God loves those who love his people. Abu Ben Adem's interaction with an angle is an example. Once he encountered with an angle and he asked him whether his name is among those who love God or not. An angle replied no. Abu Ben Adem requested angle to write his name among those who love ^{the} people. On second encounter angle congratulated him and showed that his name is on top whom God love. Thus, ~~the~~ love of God can be achieved ~~by~~ through love for people.
