

Translation

There were many people in the past, which started their journey in a very difficult situation but, with the passage of time they have become one of the most successful and famous personalities. Without any effort we can not earn respect whereas, wealth is the only thing which do not need any effort, but in only one condition where your ancestor must be wealthy. Money can buy "anything" except happiness. Sometimes it takes decades to earn respect but, few minutes is enough which can cause contentious and humiliation.
