History has been filled with such successful people, who have started their early life in <sup>severe</sup> difficult circumstances. However, later they become successful and renowned personalities. Success, ~~per~~ respect and fame cannot be given you in a plate. Only wealth can be presented you in a plate. Even then, there is one requirement <sup>and</sup> that <sup>is that</sup> your ancestors have wealth then <sup>^</sup> you will inherit wealth.

Through wealth you can buy worldly things/luxuries but not happiness.

Sometimes it took decades to a man to get earn respect while, to earn ~~at~~ disrespect or become controversial only one moment is required.
