QNo.1

What is a religious and scared view of death?

Ans

A religious and scared view of death is when a human being regards death as a kind of punishment for their sins committed, and if they look upon death as a means of making an entry into another world.

QNo.2

What is the difference between human being's fear of death and children's fear of darkness?

QNO3

What are the painful experiences described by the monks in their books

Ans:- The monks have described the painful experiences which they underwent by inflicting physical tortures upon themselves as a form of self-purification in their books.

QNO4:- What are the views about of Seneca about death?

Ans:-

Seneca, the Roman philosopher, believed that it is not death itself that frightens people; but rather the circumstances and ceremonies surrounding it. He suggested that the groans of the dying person, their convulsing body, pale face

and the mourning of friends and relatives all contribute to making death seem more horrible than it actually is. therefore, Seneca believed that people's fear of death is largely a result of cultural conditioning and societal expectations, rather than a natural response to death itself.

Q No. 5

What are the facts that make death appear more horrible than it would be otherwise?

Ans:-

According to author, the circumstances and ceremonies of death such as hearing a dying man's groans, witnessing convulsions in their body, seeing their bloodless and pale face.
