

English Comprehension Test-2

Q1 What is the difference between human beings' fear of death and children's fear of darkness?

Ans The difference between human beings' fear of death and children's fear of darkness is that human beings' fear is developed with their life experiences. Like they witness dying people, attend funerals and follow religious beliefs. However children's fear of darkness are developed by stories of supernatural beings and criminals.

Q2 What is a religious and sacred view of death?

Ans According to the religious and sacred view of death

It is the punishment of man's sins and also enters new world.

Q3 What are the painful experiences described by the monks in their books.

Ans Monks described the painful experiences in their books. They write how they themselves became the cause of physical torture as a mean to get self-purification.

Q4 What are the view of Seneca view of death?

Ans In Seneca's point of view the environment and the rituals after the death frighten the people more than the death itself would do.

Q5

What are the facts that make death appear more horrible than it would be otherwise?

Ans

Witnessing the process of death, various funeral rites and the response of loved ones on such occasion make the death appear more horrible than it would be otherwise.
