Batch :: ISL OB # 47

Marks: ? / 20

JULY 2020

SUNDAY
208/158 Week 30

26

(5)

Q: Why most of us fail in our efforts for self-improvement?

Most of us fail in our efforts for self-improvement, because our goals are set above human threshold. Many people are eager to chase these unachievable targets. In addition to this, major failure to progress in life is experienced nature of man to tackle frustration of failure, resulting in lack of thirst to achieve his desired goals.

Too many targets, mistake of announcing targets.

Q: Why is it basic mistake to announce our resolutions to everybody? (5)

Announcing resolution to everybody is a big mistake, because it gives sense of accomplishment and achievement, without wanting to step out of ~~them~~ our same bad habits.

it makes you look foolish when you fail

Q: Why did the writer not carry out his resolutions on New year day? (5)

The

Writer ~~did not~~ carry out his resolutions on new year day, because he ~~was~~ dozed off from overnight partying, due to which he was unable to work on his goals on the very first day.

peril - pitfalls

Q: Intimidating - Considerable
Dwindle - ~~waned~~, diminished
Repel - ~~Resisting~~
Barb - ~~Creep~~ down.
