

Causes of Unemployment in Pakistan

Topic Sentence	There are many reasons of unemployment in Pakistan.
Reason	The rate of unemployment has been increasing day by day due to socio-economic and political conditions of Pakistan.
Supporting Sentence 1	High population rate and defective education system are responsible for high rate of joblessness.
Evidence 1	Studies show that the unemployment rate of youth in Pakistan is believed to be increased up to 50% due to population explosion, that is 26% higher than the rate estimated by World Bank in 2018. (Dr. M. Asif, Causes of youth unemployment in Pakistan, 2023).
Supporting Sentence 2	Economically, unemployment is related to energy crises, investment crises and foreign exchange crises
Evidence 2	For instance: in industrial sector alone, 700,000 workers lost their jobs after last years' floods and during this years' foreign exchange crises and energy crises (Mohiuddin Azim, The explosion of unemployment, Jan 2023).
Supporting Sentence + Evidence 3	Moreover, poor law and order conditions i-e in Karachi also endangers the industries, thus depriving people of jobs.
Concluding Sentence	In fact, socioeconomic and political conditions are responsible for unemployment in Pakistan.

Effects of Unemployment in Pakistan

Topic Sentence	Being a consequence of so ^{many} causes, unemployment has also affected Pakistan in so many ways.
Reason	Besides creating burden on economy, unemployment also adversely affected the society of Pakistan.
Supporting Sentences	When unemployment increases, the real GDP and per capita income decreases, resulting in low standard of living. Simultaneously, it stimulates suicidal and criminal tendencies. It also causes depression and misery in masses.
Evidence 1	According to data compiled by Human Rights Commission of Pakistan, more than 1700 men and women committed suicide due to unemployment in 2020 (Express Tribune, suicide and joblessness, Jan 2023).
Evidence 2	Similarly, as per the report shared by Dawn News, a significant rise in street crimes was witnessed in Karachi by the end of 2021, when unemployment hit the area due to COVID-19 (Imtiaz Ali, City saw disturbing surge in crimes, Jan 2022).
Concluding Sentence	In short, unemployment is the cause of economic downturn and social distress in Pakistan.

3

Remedies to Solve the Problem of unemployment.

Topic Sentence

No doubt, the damage done to Pakistan due to unemployment is severe, but it can be curable.

Reason

As said by Dr. Hassan bin Zubair, if economic growth does not produce enough jobs, review the policies.

Supporting Sentences

Therefore, government of Pakistan should develop a comprehensive plan as well as review its economic policies in order to tackle unemployment at grass root level. The government must lower the inflation and currency depreciation, control population growth and educate the youth in technical skills to lower the unemployment rate and its effects.

Evidence

In order to manage population, the state must learn from the population controlling strategies of Iran and Bangladesh. Iran conducted successful door to door family planning campaign, while Bangladesh employed clergy to spread its message (Center for Research and Security Studies, Unemployment... aggravate Pakistan Economic Crises, 2023).

Concluding Sentence

Hence, the solution of unemployment lies in proper government planning.
