QNo7 :

Nowadays, everyone in this self centered world, everyone thinks about himself. No one cares about other people. No one neither has true love nor sincerity. Moral values are depleted. We are not only selfish towards people but also towards our country. Did we ever think collectively that a country in which there were the songs of love now has atmosphere of terrorism. But still nothing is out of control. If we love Pakistan truly and self ponder then we can overcome ~~our~~ ^{our} shortcomings. We all are the future builders. We should eradicate the differences of schism, class differences and of inferiority and superiority. We have to build the future of country collectively. We should pray for every person of this country to be united and to worry about the future of country because we live

if Pakistan lives.

QNO3

1) Guderian was a talented and rebellious Commander because he had initiative.

He had natural leadership capabilities to lead from the front foot. And he was unkind to his fellows who try to become a hinderance in his way. He was not a team player and was rebellious to the orders.

2) The offensive tactics of Guderian during wars were the use of heavy weapons against enemy forces. He favoured the use of Panzer forces and provided them the deadly weapons without any fear.

3) In 1941, when Germans attacked Soviet Union, the response of Soviet Union brought severe crisis for German army. Severe winters gave another set back to Hitler's war strategy. German troops were encircled by enemy forces. Guderian asked Hitler to retreat but Hitler disagreed. This was the cause of disagreement between Guderian and Hitler.

4) So because of disagreement, Hitler and Guderian separated. Hitler relieved Guderian from command. This proved to be a blessing for Guderian because this rescued him from involving in war crimes.

5) If Guderian had not been sacked then it could cause more disagreement and disintegration for German Army. Moreover, if he had not been sacked, and if he had been involved in war crimes, then world would have remembered his name with hate just like Hitler.

Title :

"Moral and Ethnic Issues of Pakistan"

Precis :

Anatol Lieven, writer of Pakistan's ^A Hard Country, discusses in his book that only one factor which can harm the well-organized and united military of Pakistan that is if there arise any difference of morality and soldier's duty to defend the country. The officers from all ranks of the Army would rebel to fight at front foot against any external attack even if the commanders resist because of Pressure or other interests. This situation can cause a civil war in the country. And as a result a revolution can ~~can~~ dominate the country. Writer further highlights the issue of diversity and ethnicity in Pakistan. The 2008 elections clearly showed the effects of regional identities. Only few
