

CAUSES OF UNEMPLOYMENT IN PAKISTAN

Topic Sent. Several causes of unemployment in Pakistan has effected the society and its ecosystem.

Exp. Sent. Due to lesser jobs opportunities talented people have left their beloved country, which has caused severe crisis in the state.

S.P Over population and old education system has badly increased the unemployment rate in the country. Merit system ~~is~~ has also become a challenge for the state to implement.

Example According to the World Bank, in 2018 only 43% of Pakistan's population has a formal education. In addition to this World Bank's another report on July 2021, almost 16.15% youth having higher education degree are working as labour in Pakistan, which reflects merit crisis and old fashioned education system.

Conclusion Sent This is how some major factors are causing unemployment in Pakistan which produces instability within the state.

EFFECTS OF UNEMPLOYMENT IN PAKISTAN

Topic
Sent.

Less equipped education system and failure of merit system resulted in severe effects of unemployment in Pakistan.

Reason

Skilful students started to leave their country for better educational opportunities, crime has also been increased, stability and other social virtues of the country have also been effected.

SP

However, due to shortage of skilled individuals, a vacuum has been created in every fold of life. Criminal activities has raised to the highest point.

Example

According to **Karachi Police** report, in June 2023, 1700 motorcycles, 200 cars and 2160 cell phones have been snatched in the metropolitan city.

Conc.

Sent.

This is how unemployment effects the peace and socio-economic condition of the state.

"REMEDIES TO SOLVE THE PROBLEM OF UNEMPLOYMENT"

Topic Sent. Unemployment unanimously devastates any society. On the other hand there are also sufficient remedies to solve the problem of unemployment.

Exp. The ratio of unemployment could be dragged down by providing quality education, merit dominancy and by the economic growth.

(SP) Economy can grow by planting new industries, reforms should be made in educational sectors. By providing advance and vocational education, so many jobs opportunities could be created. Merit must be achieved by fair selection of deserving candidate.

Example Recently, in **June 2023** governor Sindh, Kamran Tasuri took initiative for vocational and technical education for youth. Further, a famous **NGO Sylani** Trust has also started to provide modern education on merit basis.

Conca This is how.

Sent- So it is concluded that, these are the some effective and innovative techniques through which unemployment could be overcome.
