To Love Others Means Love God.

One night, a Saint Abu Ben Adhem found an angel in his room who was writing the names of those people who are pious. Abu noticed, his name wasn't mentioned in the list. So he asked the angel to ~~at least~~ enlist him among humanists people. The angel did so and left. The angel came again on the next night showing Abu his name in his desired list, indicating that the one who is kind to the mankind is the actual pious person.
