Title: Angel and Abu bin Adhem.

Abu bin Adhem a pious man saw an angel in his room, who was writing something in his gabbok. He did not feel scary at all rather he was bold and asked what are you writing? Angel replied that he is noting down the names of people who loved God. Abu bin Adhem asked if his name is on the list. When Angel told him that his name is not on the list, He requested to write his name on the list of people who loved mankind. The Angel came again next night and shows him the list of people who were beloved to the Almighty God.
