

Anas Idrees

Sub-heading: - Causes of unemployment in Pakistan.

Topic Sentence

Declining educational standard is the actual cause of unemployment in Pakistan.

Explanatory Sentence

The inability of education system to inculcate the students with the set of skills according to the demand of job market is the fundamental reason behind widening sphere of unemployment in Pakistan.

Supporting Point

Educational institutions are utilizing flawed teaching methods that are unable to produce skilled human capital due to which ~~the~~ students cannot fulfill the criteria of the job market which results in mass unemployment among the youth.

Evidence

Lack of access to quality education with appropriate skill development means that many young people are not able to find jobs. For example, the agriculture sector in Pakistan is one of the most important sectors of economy, but most of the youth lacks the skills to work in it (Dr Asif, Causes of Youth unemployment in Pakistan, April 2023)

Concluding Sentence

This is how the failure of education system to equip the youth with required skills is exacerbating unemployment in Pakistan.

Sub-heading:- Effects of unemployment in Pakistan

Topic Sentence

When the youth cannot get appropriate jobs, they become a national security risk for the state of Pakistan.

Explanatory Sentence

As many militant organizations are operating in Pakistan, the unemployed youth can be an easy target for them for anti-state activities.

Supporting Point

Unemployment can contribute to provide the means of deprivation and sense of alienation among the youth of Pakistan due to which the youth may channelise its energies in un-productive directions.

Evidence

The evidences of nexus between unemployment and terrorism are very strong. Unemployment and lack of decent jobs are the main causes of militant recruitment in Pakistan.

The ranks of Baloch liberation army are filled with many unemployed university graduates (Sajid Haider, Identifying causes of terrorism in Pakistan, 2015)

Concluding Sentence

It shows the severity to which unemployment has adopted the shape of national security issue for Pakistan

(w.c 123)

Sub-heading:- Remedies of unemployment in Pakistan

Topic Sentence	As the unemployment has become a national security risk, through reforms in the educational sector the curse of unemployment can be remedied.
Explanatory Sentence	The capability of educational sector of implanting the right kind of skills can help to stop the unemployment.
Supporting Point	Building training and technical institutions where skills programs can be delivered can also help to mitigate scourge of unemployment.
Evidence	According to a report published in Express Tribune , given the unskilled workforce in Pakistan, China has taken the initiative to educate the youth in a rightfull manner.
Concluding Sentence	As the ghost of unemployment is haunting the state of Pakistan. Teaching the skills to the youth can contribute to lessen this acute problem.
