Q7 Translate: Every one is self centered in this selfish era. No one cares for others. People are devoid of feelings. Morality is alleviating. We are not only betraying humans but also our nation, have we ever thought of the old good days of happiness in our country which is transformed into terror now. It is not too late. If we show loyalty to our country and start improving from ourselves, we can bring change. We all the future, we need to break the shackles of poverty, caste and creed. We need to be united for the betterment of the future of this country. Let's pray for the unity of this nation, because we are because of Pakistan.

Precis

Regionalism and Future of Pakistan

The author opines that Pakistan's military discipline and unity becomes fragile when faced with external pressure by powerful forces. They are emotionally weak as they would prioritize their own self respect and morale over the command of their commander. For instance, if any superpower were to have control on the territory of Pakistan, the commander's command would not be able to resist it, which leads a country towards ~~exte~~ radicalisation and lawlessness. Resulting in civil war. The author added that Pakistanis are fond of regionalism since the first decade of twenty first century. The country is divided on the basis of

sect, caste, creed and region, and they can not be united under any platform.

Precis: 110 words
Total: 360 words
