Abu Ben Adhem, a pious man, awoke at night and noticed that an angel was writing something in a book of gold. He asked, what she wrote. She replied that she was penning down the names of those who love God. He inquired about his name but answer was in negative. Then he requested that put my name in those who love his people. Next ~~day~~ ^{night} the angel came again and showed the list of those loved by Allah and his name was at the top.
