

DR ASIF KHAN

Date: 2nd week test

i Identify types of essay for all the following topics; also explain why you think it is so

i Female harassment at workplace exposes deeper social fault lines.

Ans) It is an expository essay, because it has given clear focus of cause and effect.

ii Is Pakistan facing the challenge of hybrid warfare effectively?

Ans) It is an argumentative essay because it is asking whether Pakistan is countering it effectively or not.

iii Choose your friends wisely, but choose your enemy even more carefully.

Ans) It is an abstract topic essay, because it is an idiom.

iv Mankind faces the challenge of using Artificial Intelligence responsibly.

Ans) It is an expository essay because it is asking for challenges faced.

Date: _____

v Online education has given more opportunities than challenges.

Ans) It is an expository essay because we have to expose the opportunities.

vi Over dependence on nuclear balance of power is misleading.

Ans) It is an expository essay because we have to expose how over-dependence on nuclear power is misleading.

vii A friend walks in when everyone else walks out.

Ans) It is an abstract essay, because it's an idiom.

viii Is loyalty to the nation and loyalty to the state the same?

Ans) It's an argumentative essay, because it's asking whether we agree or disagree.

ix Commercialization of education in Pakistan as a challenge to intellectual development.

Ans) It's an expository essay, because it wants us to expose how it's a challenge to intellectual development.

Date: _____

x Turning a blind eye to military
adventurism as a threat to
the environment.

Ans) It's an expository essay
because it's asking how military
adventurism is a threat to the
environment.

DR Asif Khan
