Title: "Abu Ben Adham's Triumph in Divinity"

The narrator talks about Abu Adhem's unprecedented encounter with an angel one night. The angel was responsible for listing the names of people who loved God. Upon conversing with the serene looking angel, Abu discovered that he was not a part of that list. However, he wished to be named as someone who loved for his fellow humans. The angel reappeared the following night and it was revealed to Abu that he had been rewarded as the highest among those loved by God.
