Title: Abu Ben Adhem Beloved Follower.

One night, a holy man Abu Ben Adhem woke from a deep sleep and saw an angel writing in a book of gold. The angel was writing the names of those who loved God. Abu asked for his name and was surprised to see that his name was not there. He requested the angel to write down as one who loves fellow men. The angel agreed and vanished. The next night the angel returned with a great light and showed the names to Abu who were blessed with God's love. And behold Abu's name was on top of the list.
