

Unemployment in Pakistan

Sub-heading: Causes of unemployment in Pakistan

1/5

Discuss one argument per paragraph

Topic Sentence

Causes of unemployment in Pakistan stem from various factors contributing to the persistent joblessness in the country.

You need to specify the cause you are about to discuss in the sentence

Reasoning sentence

The high unemployment rate in Pakistan is ~~resultant~~ due to economic instability, lack of vocational training programs, and several other reasons.

Too many points mentioned in one paragraph.

Supporting Point

Separate arguments then discussed previously. Also again discussing various arguments in the same paragraph

Pakistan's economic challenges, such as slow GDP growth, high inflation rates, and unstable currency, create an unfavourable environment for businesses to grow and generate more employment opportunities. Similarly, due to lack of vocational training programs

Example

According to a report by the State Bank of Pakistan, the country's GDP growth rate has been recorded at 2.1% in the last fiscal year, which is below the required rate to ~~facilitate~~ facilitate the increasing number of job seekers in the country (The State of Pakistan's Economy, 2022-23).

Concluding Sentence

Unemployment has been a persistent issue in Pakistan due to several ~~reasons~~ reasons but economic instability exacerbates the Problem significantly.

Sub-heading: Effects of unemployment in Pakistan

Topic Sentence: While understanding the causes of unemployment remains crucial, it is equally important to understand that unemployment in Pakistan leads to a variety of significant effects.

1/5

Reasoning sentence: Due to unemployment, Pakistan is facing several issues, such as poor economic growth, ^{multiple arguments/effects} ~~rise in poverty~~ etc. *in one paragraph.*

You discussed that as a cause of unemployment. You cannot discuss that as both in one essay.

Supporting sentence: When a society is facing unemployment issues, the consumer spending decreases which leads to reduced demand for goods and services. Hence, it slows down the economic growth while exacerbating poverty levels.

2 arguments.
→ Also you've discussed that as a cause in previous paragraph.

Example: According to a World Bank report, the country's unemployment rate reached 8.3% which has contributed to widening income disparities, as those without jobs ~~struggle~~ struggle to meet basic needs. ~~Therefore~~, the poverty level is on a rise (Pakistan Economic Update, 2022).

Redundant & Contradictory

This does not relate to the first part of the argument

Concluding sentence: The effects of unemployment in Pakistan remain an alarming concern for the authorities as it is hindering economic growth and rising poverty levels.

Too long for a concluding sentence.
Discuss one argument per paragraph.

1/5
Sub-heading:

Remedies to solve the Problem of unemployment

Topic Sentence:

To address the effects of unemployment in Pakistan, effective remedies should be implemented. The ^{As unemployment has severe effects so it is pertinent to address its causes. One such remedy is} causes and effects of unemployment in Pakistan will remain an alarming issue, unless effective remedies are implemented by the policy makers to solve the problem of unemployment in Pakistan.

Too long for topic sentence!

Reasoning sentence

^{The solution of this problem requires proper strategy. Such as} The unemployment issue will remain unresolved and will continue to pose serious challenges unless comprehensive strategies are adopted by the authorities to combat this issue.

redundant. Simplify the point. This part is to elaborate the topic sentence but avoid repetition when doing so.

Supporting Point

By encouraging the growth of the manufacturing sector, promoting local industries and attracting foreign direct investment, Pakistan can create more employment opportunities for its citizens.

Inherent. Too many arguments in one paragraph

Example

According to a report by the World Bank, enhancing the manufacturing sector in Pakistan can play a vital role in addressing unemployment. The study highlights that by investing in manufacturing, and providing incentives to industries, the country can generate a huge number of jobs (Pakistan:

(Pakistan @ 100: Shaping the Future, 2019)

Concluding Sentence

Only sum up the core idea of the paragraph.

By implementing measures that promote infrastructure development and prioritize industries, Pakistan can work towards reducing unemployment.
