Title = God loves those, who love his fellowman

Abu Ben Adhem woke up one night and saw an angel writing in golden book. Abu inquired about writing. Angel kindly replied, he <sup>4</sup> was noting names of those who love God. But not Abu's name. Abu requested to write his name as one who love his fellowmen. Next night angel showed him his name, at top, blessed by God's love.

Just one thing  
It is not narration  
It is precis  
Do not just indirect
