divided pakistan: unfit for revolution

Hard to Unite

06

The writer of the book Pakistan A Hard Country, said that Pakistan can break apart. Its military forces pressurized on moral grounds by invaders. Even they have to lose their religious identity on that powerful pressure. And for any reason, if military of Pakistan withdraw then there are chances of religious rebellion and end of Pakistan. It will lead to an upsurge in state that would take all Pakistan in its consequences. The author also with a view that subnational identity may increase their influence on politics as seen in recent years. As Pakistan is a heterogeneous society, it is difficult for it to unite such multiple identities at one place on this critical situation as said by Lahari executive.

QUESTION NO: 7

Translation.

Today, in the era of selfishness, everyone is only care about its own benefit. No one care about others. None do have the love and sympathy for its blindness is in its decline. We are not only get benefit from human but also from the state. We are not only using human for our benefit but also using our state. Did we ever think what happen to that graceful land that has changed into the victim of terrorism. But still we have time. If we will leave Pakistan truly and able to find our mistakes then we are able to improve ourselves. Everyone is equal hence we should eliminate all types of discrimination. We must have unite for the future of the country. May, everyone started caring about the country because of Pakistan is alive then we are alive.
