Sub-heading: Causes of un-employment in Pakistan

Topic sentence

2/5  
While several factors contribute to the employment in Pakistan, illiteracy remains a top cause.

explanatory sentence

The lack of quality education has left a significant portion of the young population struggling to find gainful employment.

Supporting point

The inability to read and write limits job opportunities, as there is a dearth of education and vocational training programs in Pakistan.

evidence

Does not relate to the cause - that this is because of illiteracy.

According to the Labour Force Survey 2020-21, a total labour force is 71.76 million out of which 67.25 million are employed and 4.51 million are still unemployed with unemployment rate 6.57%.

Conclusion

Hence, the effectiveness of education in generating employment is one of the major concerns in Pakistan. Hence, the absence and lack of effective education leads to unemployment in Pakistan.

Incomplete evidence relate that to the literacy rate.

# Sub-heading: Effects of unemployment in Pakistan.

o/s

Topic sentence: Unemployment due to illiteracy has several ill effect on the youth of Pakistan. <sup>capitalise the proper nouns.</sup>

Explanatory: <sup>create connectivity b/w the two sentence.</sup> One of the primary reasons for poverty is not being able to find work.

Supporting point: Poverty-stricken people lack the financial resources for a minimum standard of living, and <sup>This is elaboration of what poverty does not that unemployment leads to poverty that's what your supporting point should entail.</sup> might go without proper housing, clean water, healthy food and medical attention.

evidence: In 1998, all heads of <sup>the</sup> U.N. agencies signed a statement defining the term poverty as a denial of choices and opportunities, a violation of human dignity. It means susceptibility to violence and it often implies living on marginal or fragile environments, without access to clean water or sanitation. <sup>Not relevant</sup>

Conclusion: Hence, poverty has become a great issue in our country, ~~Pakistan~~. <sup>Here you should put your supporting point not real example. As in this case your argument is based on Pakistan your example should be too</sup> Not your argument

Sub-heading: Remedies for unemployment

Topic sentence: <sup>write in 3rd person</sup> ~~We~~ need remedies to tackle the problem. <sup>specify one remedy here</sup>

Reason: The rising frustration and disappointment in youth demands suitable measures to help them survive. <sup>Again no actual suggestion mentioned.</sup>

Supporting point: <sup>So what is the suggestion.</sup> Our education system <sup>what do we need to do</sup> needs to adapt to a fast changing world. <sup>Your language should be appropriate to indicate that you are giving suggestion not just stating a fact.</sup> Students need to have different skills all the time. Education enables them to acquire knowledge and skills that helps them to become successful members of society.

evidence/ Reference: "The purpose of education is to make good human beings with skills and expertise. Enlightened human beings can be created by teachers. A.P.J. Abdul Kalam" <sup>This does not indicate that your suggestion will create more employment or reduce unemployment.</sup>

Conclusion: That's why, modernizing education system with best learning skills ~~will~~ help the situation.
