Paragraph # 1

Sub-Heading :- Causes of unemployment in Pakistan

O/S

Topic Sentence: There are many causes of unemployment in Pakistan. *Specify one cause here.*

Explanatory or Reason Sentence: Factors such as rapid population growth, a lack of quality education, economic instability, and insufficient job opportunities contribute to the high unemployment rate in Pakistan.

Inherent too many arguments. Mention your argument in topic sentence & only elaborate it in reasoning sentence. There should be no new information mentioned there.

According to the yearly data published by Bureau of Statistics the maximum rate was 6.3% and minimum was 3.1% for the year 2022.

No facts & statistics in reasoning sentence.

Supporting Sentence - 1: Among many other reasons one of them is lack of access to resources such as technology, tools, mentors which ultimately limits skill set of people. An unskilled youth pave way to higher rate of unemployment in Pakistan.

one argument per paragraph

Evidence-1: Report published by Education Commission and UNICEF ahead of World Youth Skills Day, 2022 states that nearly three quarters

Date _____

Your report should validate your supporting Point.

Example should be specific to Pakistan as you are describing the cause of unemployment in Pakistan

of Young People aged 15-24 in 92 countries with available data are off-track to acquire skills needed for employment. Moreover, in at least 1 in 3 low-income countries with available data, more than 85% of young people are off-track in the secondary-level, digital and job-specific skills attainment.

Supporting Point - 2

Irrespective of the factor that Pakistan has a large number of population which can be utilized to strengthen the economy but due to increasing rate of unemployment the youth ~~which~~ that can be an asset for the country is becoming a liability for the survival of economy. This is an effect not a cause of unemployment.

Evidence - 2

According to the National Human Development Report published by United Nations Development Program (UNDP), Pakistan currently has the largest percentage of young people ever recorded in history. More than 64% of the country's population is below the age of 30 while 29% is between 15 to 29 years.

concluding sentence
Simplify and shorten your sentence

Thus, it can be concluded that among many other factors which leads to higher rate of unemployment unskilled youth is considered to be one of grave causes.

Paragraph 2:

Sub-Heading: Effects of unemployment in Pakistan.

Topic sentence: Unemployment in Pakistan has far-reaching ^{these are far reaching effects not causes} causes which resultantly ^{wrong emphasis} has effects on different sectors of Pakistan.

Explanatory or Reason: The consequences of unemployment include 1) Poverty, 2) social unrest, 3) increased crime rates, and a decline ⁴ in overall economic growth. ^{Again discuss one per paragraph.}

Supporting sentence: Although ~~also~~ ^{Derivates from the argument} aforementioned effects have huge ~~into~~ importance which need urgent ~~actions~~ ^{from that government} and other stakeholders. But no one ^{your argument} is paying attention to the reality ^{your argument should be} that increasing rate of unemployment ^{how unemployment is causing a certain effect} in Pakistan is leading young generation of Pakistan to a state of hopelessness ^{Not the argument mentioned previously} with their country.

Tip Top Classic

Example - 1. A record-breaking 800,000 Pakistanis left the country in the first half of 2023, with at least 100,000 of them being highly skilled professionals, including doctors, nurses, engineers, IT experts, and accountants. Another example of hopelessness is a recent incident of a boat that at least 350 Pakistanis were on overloaded boat that capsized and sank in open seas of Greece (Pakistan's interior minister). *How does that relate to unemployment?*

"It is the hopelessness of this place which drives them to leave," (desecrated relative)

Supporting Point - 2 Frustrated unemployed young generation is easier to get influenced towards criminal activities to enable them to survive financially. *Resulting in* higher crime rate.

Example - 2 Research conducted by Department of Finance and Accounting, Lebanese International University on Unemployment Rate, Population Density and Crime Rate in Punjab (Pakistan) the estimated results show that *sentence structure* unemployment and population density have a positive and significant impact on crime rate among districts

Date _____

of the Punjab, Pakistan.

In short, increase in crime rate is one of

concluding sentence:

It can be concluded that effects of unemployment ^{the devastating impacts of} in Pakistan are

There should be only one argument in paragraph.

not limited to ^{unemployment} economic decline but also lead to affect on young generation of Pakistan leading to higher rate of brain drain and crime rate.

1st argument

2nd argument

Paragraph # 3

Sub-Heading: Remedies to solve the problem of unemployment in Pakistan.

Topic Sentence

These severe effects require urgent remedies to curb unemployment in Pakistan. One such remedy is

There are ^{wrong use of word} havoc effects of increasing unemployment on Pakistan which demands urgent remedies to save the country from reaching to the far end of consequences.

Explanatory or Reason

You should be introducing your argument in topic sentence. Here you

The first step towards reducing unemployment ~~is~~ in Pakistan which is for the government of Pakistan to develop a comprehensive plan (keeping in view) of young generation of Pakistan.

Supporting Point

For the young generation of Pakistan it is necessary to build

Tip Top Classic

It's not their responsibility. Government should provide that facility.

well-recognized training and technical institutes where skills programs can be delivered which will enhance job opportunities and open new doors of professional exposure for youth.

Evidence or Example: Recent announcement of free tech courses by Governor Sindh, Kamran Tessori, under the statement of "opening the Governor House and removing barriers to educate the youth of Sindh" is an
