Topic: Neglect of enhancing intellectual ability in our education system.

Introduction:-

"Give a man a fish and you feed him for a day, teach a man to fish and you feed him for a lifetime." Maimonides. → Continue here

This means that education, lacking in intellectual ability is like giving man a fish which help him to feed for a day. However, <sup>sentence structure</sup> Moreover, articulation of the idea needs maturity. <sup>Attention question does not relate to neglect of topic as a whole.</sup> instilling the intellectual ability is like teaching a man how to fish which will help him for a lifetime. This ability helps him in school, work and everyday life by doing smart work.

Currently, the main focus of our education system is on memorization of knowledge which shows the neglect of enhancing intellectual ability in our system. <sup>write in 3rd para</sup>

<sup>sentence structure.</sup> The prominent witnessing neglect features like lack of reasoning, critical thinking, <sup>how does facilities relate to intellectual ability</sup> facilities and accountability can be seen in education system. <sup>Do not endist point in intro. Present a reflection of you out his</sup>

Moreover, insufficient financing, <sup>lack of</sup> teacher trainings and outdated curriculum are also contributing factors of negligence. <sup>sentence structure</sup> → Continue from here

Moreover, it has some reasons like less budget, equipped teachers and less teaching skills in teachers, which <sup>repetition</sup> only assure <sup>wrong use of word. (leads to) would be more appropriate</sup> only memorisation of knowledge. Also, the presence of incompetent teachers due to unfair induction and aged teachers due to age relaxation in retirement

policy hinders them to teach new skills in educational institutions. So, it is necessary to take some steps to inculcate new skills in students. This can be done by introducing IT integrated teaching and selecting new and competent teachers by fair means. Another step may be the enhance in budget so that it can be utilised for teachers trainings and IT Labs. *Address the problem in the first sentence of T.S*

*No relation of T.S to Pakistan.* In a nutshell, Neglect of intellectual ability is considered to be crucial for us in future. But its negative effects can be minimised by introducing some advancements in education system.
