6 Who Does God Love? 1

The passage records a profound spiritual <sup>experience</sup> of a holy man, <sup>1</sup> Abu Ben Adhem with an Angel <sup>—</sup> who is noting down the <sup>found</sup> names of those who ~~are~~ loved ~~by~~ God. Abu ~~does~~ <sup>finds</sup> that his name <sup>was</sup> not recorded among them. He <sup>supplicated</sup> that his name be listed as those who <sup>loved</sup> ~~with~~ God's creation. His invocation is accepted as the Angel <sup>returned</sup> a second time and shows Abu his name, which is mentioned as the foremost.

Tense mistakes.
