### English Précis Test-1

who abu???? who's  
abu???

Reward for Abu

~~Abu Bey Adhem, a devout person, woke up to find an angel noting something down in a golden book. Upon signing, the list noted those who loved God. Since Abu S was not on the list, he prayed to be noted as one who loved his fellowmen. The angel returned the next night with the list of those blessed by God: with Abu on top.~~

abu on top of what?? top of the mountain or top of the hills or top of the list?

Total words = 167

~~Words = 66~~

Words allowed = 55-56

incorrect interpretation and incorrect precise

not satisfactory at all

precise exceeds word count when it exceeds dont mention that you have written it beyond the allowed limit

basic grammar is poor

read the passage carefully again 0/20
