Abu ben Adhem: A Holy man

One night, Abu ben Adhem woke up from a peaceful sleep, and saw ^{in his room} that an angel was writing names of those who love God in a book of gold. As ^{was} told by

the angel, ^{told} Abu Ben Adhem's name was not in the ^{list};

He asked the angel to write his name among those who love his fellowmen. ~~So the angel did that, and came the~~

angel reappeared the next night

with a list having Abu ben Adhem's name on top among those who ^{who were loved by god} had been blessed by ~~God's~~ love.

precise exceeds word limit and word count is not written be precise and to the point no need to explain uselessly

3/20

not satisfactory only title is ok

seems like you haven't even read the basic rules of precise
